Sutter Health Plus Rate Guide

Thank you for considering Sutter Health Plus as your health plan partner. This guide can help you find Individual and Family Plan (IFP) monthly premiums and select the right plan to fit your budget.

IFP Rates

As an IFP member, you must pay a monthly premium to Sutter Health Plus for healthcare coverage. Your monthly premium is based on the plan you select, the age of each covered member as of the coverage effective date, the ZIP code where you live or reside, and if you are obtaining individual or family coverage. IFP plans follow a calendar year cycle—January 1 to December 31—and always renew on January 1 regardless of the original coverage effective date.

Use the following steps to calculate your monthly premium.

For Yourself

1. Find your county, ZIP code and rating region using the map on [page 5](#).
2. Use your age as of your coverage effective date.*
3. Select a plan.
4. Calculate monthly premium.

Example: A 36-year-old in Region 3 on the Silver MI03 HMO plan.

* For example, if you enroll with Sutter Health Plus with a coverage effective date of March 1 for your first year, then we use your age as of March 1. When your coverage renews on January 1 of the following year, we base your renewal rate on your age as of January 1.

For a Family

1. Find your county, ZIP code and rating region using the map on [page 5](#).
2. Use each enrolling family member's age as of the coverage effective date:*

 - You
 - Your spouse or domestic partner
 - Adult children ages 21 through 25
 - Your three oldest children under age 21
 - Your dependent parent/stepparent**

3. Select a plan.
4. Calculate the monthly premium for each family member.
 - If you have more than three children under the age of 21, you will only pay premiums for the three oldest
 - If you have more than three children and the oldest turns 21 during the current plan year, the rates will be adjusted at the next renewal

Please see [page 4](#) for an example scenario.

If you have any questions or need assistance with this rate guide, please call Sutter Health Plus Member Services at 1-855-315-5800 Monday through Friday, 8 a.m. to 7 p.m.

* For example, if you enroll with Sutter Health Plus with a coverage effective date of March 1 for your first year, then we use your age as of March 1. When your coverage renews on January 1 of the following year, we base your renewal rate on your age as of January 1.

** A dependent may be:

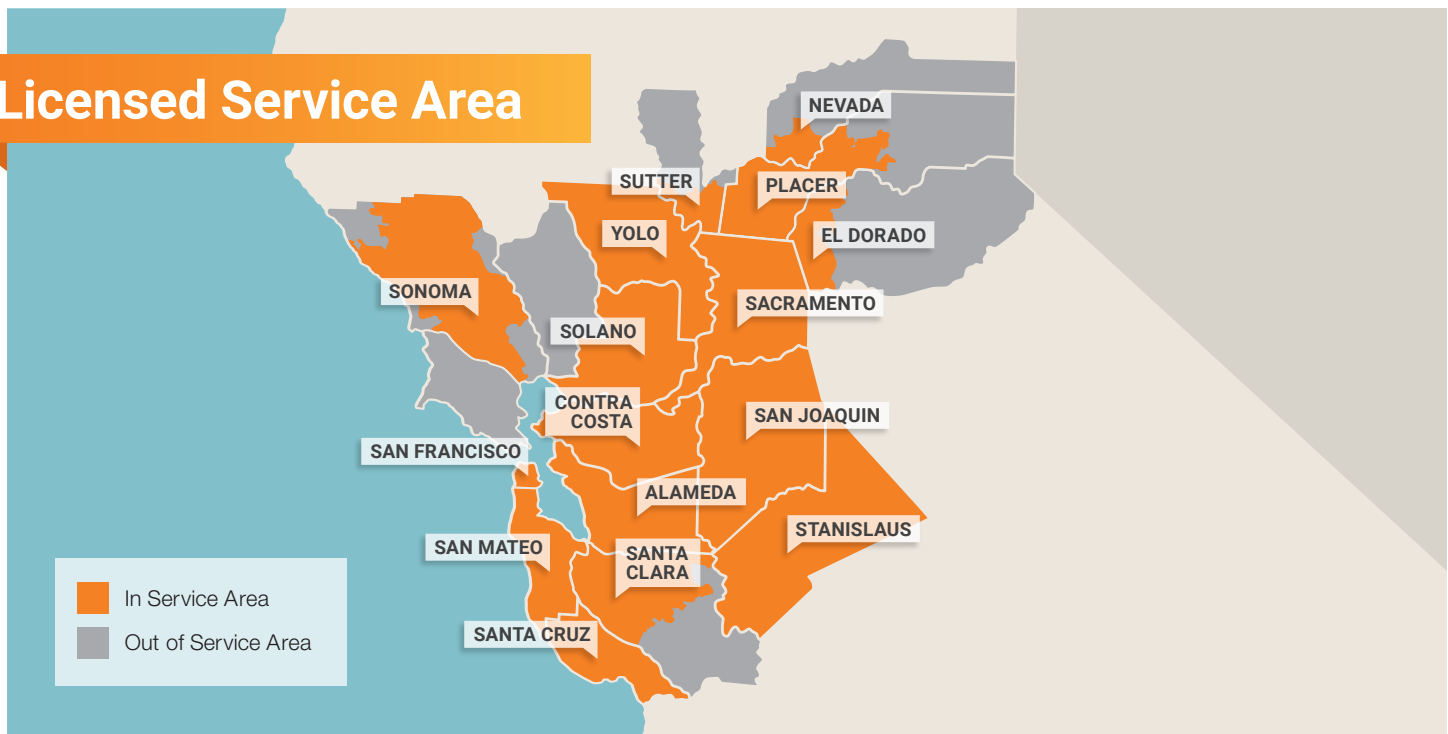

- Your spouse
- Child of a subscriber or spouse
- Parent or stepparent of a subscriber who meets the definition of a qualifying relative under section 152(d) of Title 26 of the United States Code
