

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, contact Sutter Health Plus at 1-855-315-5800 or visit sutterhealthplus.org. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment (copay), deductible, provider, or other underlined terms, see the Glossary of Health Coverage and Medical Terms. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 1-855-315-5800 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$500 individual / \$500 individual family member / \$1,000 family for certain medical services per calendar year.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> and other services as indicated in the chart starting on page 2 are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> (copay) or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	\$7,500 individual / \$7,500 individual family member / \$15,000 family per calendar year.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , health care this <u>plan</u> doesn't cover and <u>cost sharing</u> for all optional benefits if elected by your employer group.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Will you pay less if you use a <u>network provider</u>?	Yes. See www.sutterhealthplus.org/provider-search or call 1-855-315-5800 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

 All copayment (copay) and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
